Codes of Conduct (*mandatory requirement 2*)

BCE has developed codes of conduct and standards of behaviour for employees, students, volunteers (including parents) and other personnel in consultation with relevant parties. These codes of conduct set out BCE's requirements in relation to the conduct of employees who work at St. Mary's Catholic Primary School, together with students, volunteers and other personnel at the school and contain specific information on interacting with students.

BCE employees who work at St. Mary's Catholic Primary School are also bound to comply with BCE's Statement of Principles for Employment in Catholic Schools or the Statement of Principles for Employment in Catholic Education and other relevant professional standards (for example, the Australian Professional Standards for Teachers and the Australian Professional Standards for Principals which describe effective, contemporary practice for teachers and principals).

BCE Employee Code of Conduct

The Catholic Education Archdiocese of Brisbane [Code of Conduct](#) (“Code of Conduct”) sets out the standard of behaviour required of BCE employees working at St. Mary’s Catholic Primary School. All BCE employees must comply with the [Code of Conduct](#), including employees employed on a temporary, casual, fixed term or continuing basis.

The [Code of Conduct](#) states that BCE employees must act appropriately and professionally at all times in their interactions with students and observe appropriate boundaries, behaviour and contact with students. In addition, the [Code of Conduct](#) covers the employees’ duties in relation to risk management and duty of care obligations to students.

The [Code of Conduct](#) is uploaded on BCE’s Public Website and Intranet. The Principal at St. Mary’s Catholic Primary School facilitates enrolment in the online Code of Conduct training for school employees at the time of induction for all new staff and annually for all other staff.

Student Behaviour Support Policy

St. Mary’s Catholic Primary School has developed a Student Behaviour Support Plan for the school, known as St. Mary’s Behaviour Support Policy in consultation with all groups in the school community and in accordance with BCE’s Student Behaviour Support Policy. The Student Behaviour Support Plan has been implemented for a whole school approach to support student behaviour in the school environment.

St. Mary’s Catholic Primary School’s Student Behaviour Support Plan reflects the shared values and expectations of the school to student behaviour support and encourages a supportive Catholic school environment. The Student Behaviour Support Plan includes a student code of behaviour which is guided by BCE’s Student Behaviour Support Policy. The Student Behaviour Support Plan is readily accessible to students and parents and is uploaded on the St. Mary’s Catholic Primary School’s [Intranet/Website](#).

Our school uses BCE’s Student Behaviour Support System (SBSS) to track the behaviour of students and proactively support student’s behaviour through data-based decision making. Our school is required to use the Student Behaviour Support System (SBSS) to document bullying/harassment incidents, drug related incidents, weapons incidents and all suspensions (both in school and out) for a period of one day or more. Schools are required to note a part time suspension on the student’s school file.

Volunteer and Other Personnel Code of Conduct

BCE has developed a Volunteer and Other Personnel Code of Conduct which outlines the standard of behaviour which is required of volunteers (including parents) and other personnel in their activities in the school, including the need to think and act safely and treat students and staff with respect.

St. Mary’s Catholic Primary School takes the following actions to ensure that the BCE Volunteer and Other Personnel Code of Conduct is implemented in the school community:

- all volunteers and other personnel can access a copy of the Volunteer and Other Personnel Code of Conduct;
- all volunteers and other personnel are required to comply with the Volunteer and Other Personnel Code of Conduct to continue their voluntary/professional engagement at the school;

- all volunteers and other personnel have completed Student Protection Training via the interactive online training module [Volunteers/Other Personnel Training](#) located on the BCE Public Website; and
- all volunteers and other personnel must complete and sign the Volunteer and Other Personnel Register Sheet.

PART 2 - CAPABILITY

Procedures for recruiting, selecting, training and managing staff that enhance the safety and wellbeing of children and young people and the protection of children and young people from harm (*mandatory requirement 3*)

Recruitment and selection

St. Mary's Catholic Primary School aims to recruit and select employees that work with students in the school that are appropriately qualified and suitable for working with children and young people.

St. Mary's Catholic Primary School is responsible for staff recruitment, selection, training and management of employees in the school in partnership with personnel from the BCE office.

Principals and employees involved in staff recruitment, selection, training and management of employees at the school must comply with the relevant BCE policies which are published on the BCE Intranet and include:

- Recruitment, Selection and Appointment of Middle Leaders
- Recruitment, Selection and Appointment (Acting Senior Leadership Positions in Schools)
- Recruitment, Selection and Appointment of P – 12 Heads

- Recruitment, Selection and Appointment of Principals.

In advertising new positions for the school, the advertisement states that "This position involves working with children. The appointment of a successful applicant will be subject to satisfactory employment screening for child related employment in accordance with the law".

St. Mary's Catholic Primary School adheres to BCE's policies and procedures in relation to employment which are contained in the *Working with Children (Risk Management and Screening) Act 2000*, *Working with Children (Risk Management and Screening) Regulation 2011*, *Education (Accreditation of Non-State Schools) Act and Regulation 2017*, and the *Education (Queensland College of Teachers) Act 2005*.

All non-teaching employees working at St. Mary's Catholic Primary School are required to comply with [BCE's Blue Card Screening Procedures](#) (discussed below). All non-teaching employees, volunteers and trainee students who work with students and who require a Blue Card under the *Working with Children (Risk Management and Screening) Act 2000*, are required to obtain a Blue Card and keep it current. All teachers are required to produce evidence of current teacher registration with the Queensland College of Teachers ("QCT") before they commence work at St. Mary's Catholic Primary School.

Training and Management of Employees

The Principal is required by BCE to ensure that all new BCE employees at St. Mary's Catholic Primary School are provided with induction training on the school's processes and procedures, the values and expectations of BCE and the standard of behaviour required of employees in their interactions with students, to support BCE and St. Mary's Catholic Primary School to provide an environment that is safe and supportive for students.

All staff at St. Mary's Catholic Primary School must complete mandatory online training in BCE's Student Protection Processes, annually. Student protection training covers BCE's requirements under the Student Protection Processes in relation to reporting by staff of suspicions or allegations of:

- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff to students.

This training provides our staff at St. Mary's Catholic Primary School with strong skills to effectively respond to and report suspicions or allegations, as required by law. New employees must complete this training prior to commencing work with students at the school. All employees who work in BCE schools must complete mandatory online training in BCE's Student Protection Processes, annually. In addition, the school's newly appointed Student Protection Contacts complete BCE mandatory training for Student Protection Contacts to upskill them in receiving and managing disclosures from students.

Additional on-going training is provided by BCE and employees at the school are encouraged to attend. BCE has a dedicated Organisational Development Team which co-ordinates professional learning opportunities for BCE employees to enable BCE employees to enhance their professional or personal knowledge and skills. St. Mary's Catholic Primary School encourages its staff to attend professional learning courses. Many of the courses offered to employees relate to the safety and wellbeing of students. For example, courses are offered from time to time on bullying at schools, behaviour management of students, students at risk of harm and students with special needs.

Privacy training was introduced in 2018 for key school staff incorporating procedures for management of Mandatory Data Breach Notifications.

Where there is a complaint or allegation in relation to an employee of inappropriate behaviour, unsatisfactory performance or misconduct, the Principal (or in some cases, the Senior Leader – Learning and Identity or the Employee Relations Team at the BCE office) will take all appropriate management action, which may include requiring employees to undertake additional training, mentoring employees, explaining BCE's and the school's expectations and requirements to the employee, or dismissal. The BCE Staff Complaints Management Procedure and BCE Staff Misconduct Procedure sets out a clear process for handling complaints and allegations of misconduct.

BCE provides the Employee Assistance program to give free and confidential counselling to employees at the school who require support.

BCE promotes the capacity of staff to contribute to the mission of our organisation through ongoing professional development and professional learning. The BCE Performance and Development Policy and Planning and Performance Framework guide individual

performance and development which is undertaken at all levels throughout the organisation. The Leadership Capability Framework articulates the requirements for BCE staff to model and promote a culture where student protection is the responsibility of everyone.

Other BCE Support for Student Wellbeing

St. Mary's Catholic Primary School recognises that students learn best in school environments in which they feel safe, both physically and emotionally. BCE revised its Student Wellbeing Policy in 2018 and has developed several policies, processes and resources to support the pastoral care and wellbeing of students at St. Mary's Catholic Primary School. These are readily accessible to BCE employees on BCE's Intranet. BCE has a number of university partnerships which may provide additional psychological services to students and their families together with professional learning for staff regarding a Catholic perspective on relationships and sexuality education.

PART 3 - CONCERNS

Policies and procedures for handling disclosures or suspicions of harm (mandatory requirement 4)

Student Protection Processes

BCE's [Student Protection Processes](#) provide a process for all staff who work at St. Mary's Catholic Primary School to recognise, respond and report allegations or suspicions of:

- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff to students.

The [Student Protection Processes](#) have been developed in accordance with the requirements of the *Education (Accreditation of Non-State Schools) Act and Regulation 2017*, the *Education (General Provisions) Act and Regulation 2006*, the *Working with Children (Risk Management and Screening) Act 2000* and *Working with Children (Risk Management and Screening) Regulation 2011*, the *Child Protection Act 1999* and the *Education (Queensland College of Teachers) Act 2005*. The *Student Protection Processes Catholic Education Archdiocese of Brisbane* document was reviewed and republished in keeping with the QCEC template that was developed in collaboration with BCE and other Catholic employing authorities. The BCE processes were approved by NSSAB in June 2017.

The [Student Protection Processes](#) are also underpinned by the Archdiocese of Brisbane Catholic Education Council's *Student Protection Policy (2018)* and complements the procedures developed by the National Committee for Professional Standards entitled *Towards Healing – Principles and Procedures in Responding to Complaints of Abuse Against Personnel of the Catholic Church in Australia (2010)* and the document entitled *Integrity in the Service of the Church (September 2011)*.

Reports are to be made to the Queensland Police Service in relation to allegations or reasonable suspicions of sexual abuse/likely sexual abuse of a student or to the Department of Communities, Child Safety and Disability Services for harm/risk of harm to a student caused by sexual abuse, physical abuse, emotional abuse or neglect. If a report is made in relation to inappropriate behaviour of a staff member towards a student, that report will be handled by the Principal, with support from BCE's Professional Standards and Student Protection Team. All school-based employees must complete mandatory on-line training on BCE's Student Protection Processes annually. The Principal must ensure that all staff are student protection compliant.

The [Student Protection Processes](#) are readily available for employees, parents, students and carers and St. Mary's Catholic Primary School has uploaded the link to the Student Protection Processes on their school website.

BCE has processes to enable staff at St. Mary's Catholic Primary School to complete on-line a Record of Concern about any student protection concerns, including allegations or suspicions of sexual abuse or likely sexual abuse of a student, harm or risk of harm to a student or inappropriate behaviour of a staff member towards a student using the BCE Student Protection Case Management System.

BCE has developed a complaints procedure to enable parents or students at St. Mary's Catholic Primary School to make a complaint that the school has not complied with the Student Protection Processes. Parents or students may make a complaint via the Record of Complaint about Non-Compliance with BCE's Student Protection Processes located on BCE's public website. The Principal or Senior Leader – Learning and Identity will handle these complaints in accordance with BCE's Procedure for Handling Complaints about Non-Compliance with BCE's Student Protection Processes.

BCE undertakes a system review for serious breaches of policy, including to identify any system improvement to policy or procedure and address any additional training requirements for individuals.

School Student Protection Contacts

In accordance with the *Education (Accreditation of Non-State Schools) Regulation 2017*, St. Mary's Catholic Primary School has four stated staff members to whom a student can report behaviour of another staff member that the student considers is inappropriate.

The Principal is a Student Protection Contact at the school. The other Student Protection Contacts are staff members at the school. The role of the Student Protection Contacts are to receive complaints and allegations from staff and students and to make or assist staff to make all reports as outlined in BCE's Student Protection Processes. The identity of the St. Mary's Catholic Primary School Student Protection Contacts is made known to staff, students, volunteers and parents through the school website, school newsletters, posters in the school and/or parent information nights.

Information about the Student Protection Contacts and requirements for their appointment is detailed within the Student Protection Processes.

Student Protection Officers

BCE has a Student Protection Team and Student Protection Officers working in this team are experts in the field of child protection. They all hold a degree in human services (generally social work) and have significant experience working in child protection.

Student Protection Officers assist our school-based employees in assessing sexual abuse and likely sexual abuse and harm caused or at a risk of being caused to students by sexual abuse, physical abuse, emotional abuse or neglect. They also offer support and guidance to St. Mary's Catholic Primary School during and after a student protection intervention, assist with compliance with the [Student Protection Processes](#) and develop and facilitate professional learning for staff.

A plan for managing breaches of the Child and Youth Risk Management Strategy (mandatory requirement 5)

BCE and St. Mary's Catholic Primary School takes any breach of the BCE Child and Youth Risk Management Strategy or the St. Mary's Catholic Primary School Child and Youth Risk Management Strategy seriously. BCE has introduced a Parent and Guardian Complaints Management Policy and Procedure. Breaches of any aspect of the Strategy may be dealt with as follows:

- if the alleged breach relates to the actions of an employee, this will be managed, as appropriate, in accordance with the BCE Staff Complaints Management Procedure, the BCE Staff Misconduct Procedure or School Employee Unsatisfactory Performance Process;

- if the alleged breach relates to a report of inappropriate behaviour of a staff member to a student, this will be managed in accordance with the process set out in the Student Protection Processes;
- if the breach relates to a complaint made via the Record of Complaint about Non-Compliance with BCE's Student Protection Processes, that complaint will be dealt with in accordance with the Procedure for Handling Complaints about Non-Compliance with BCE's Student Protection Processes;
- if the breach relates to the actions of a volunteer or other personnel, this will be dealt with in accordance with the [Volunteer and Other Personnel Code of Conduct](#) and the procedures set out in the [Student Protection Processes](#), as appropriate; and
- if the breach relates to the action of a contractor this will be managed in accordance with BCE's contract with the contractor.

The actions or inactions which will constitute a breach of individual elements of the Strategy are detailed in the Code of Conduct and the Student Protection Processes. Details regarding management of any breach, including who manages the breach, are contained in the procedures mentioned above. All records are kept confidentially in BCE business information systems.

A risk management plan for high risk activities and special events *(mandatory requirement 7)*

Risk Management Tools

St. Mary's Catholic Primary School considers all curriculum activities in terms of their inherent level of risk. When undertaking a medium or high-risk activity or special event, our school is responsible for identifying potential risks and considering the safety and wellbeing of students and the risk of harm to students.

St. Mary's Catholic Primary School develops and implements an effective risk management plan to remove or minimise the risk of harm to students. The plan includes risk assessments and risk mitigation which are carried out for all medium or higher risk activities undertaken within the school and all activities undertaken outside of the school. St. Mary's Catholic Primary School refers to information in relation to risk assessments for various activities and risk assessment tools provided on BCE's Health and Safety Portal on the BCE Intranet.

The Health and Safety Team at BCE provides support to our school, if requested, to help us carry out risk assessments and develop and implement a risk management plan. In addition, a dedicated Workplace Health and Safety Officer ("WHSO") is employed at St. Mary's Catholic Primary School (who is required to complete a Certificate 4 in Workplace Health and Safety within 12 months of commencing the role). The WHSO's role is to co-ordinate risk assessments at our school and support the Principal in carrying out the health and safety responsibilities under legislation. BCE provides training and updates to the WHSO.

BCE has developed a Contractor Induction Manual to give contractors information on BCE's Workplace Health and Safety Contractor Management System at BCE schools, so that contractors working at St. Mary's Catholic Primary School play their role in maintaining a safe environment for students.

Risk Management for Excursions and Fetes

The Principal is responsible for approving all excursions. The Principal has reference to BCE forms and fact sheets to assist in identifying, assessing and managing risks associated with excursions, for example, the BCE OH & S Fact Sheet: Excursions, OH &

S Standard - Risk Management Form and the Risk Assessment Template Form. The Principal completes the Risk Assessment Template Form prior to each excursion. This form specifies that in carrying out a risk assessment, student protection risks must be assessed and managed.

In developing a high-risk strategy/plan St. Mary's Catholic Primary School takes the following into consideration.

- Establishes the context of the activity or event including:
 - the nature of the activity and your objectives in conducting it
 - the environment or location of the activity
 - the stakeholders involved in the activity including children and young people
 - identify the specific risks and identify the control measures that are already in place and whether additional controls are required.
- Addresses the following issues, if relevant:
 - Transportation
 - Toileting/change room procedures
 - Ensuring appropriate supervision of children and ratios of adults to children
 - Ensuring appropriate supervision of volunteers
 - A policy in relation to photographs
 - Managing medications and allergies
 - Managing illness/injury
 - Emergency/lockdown procedures
 - Relevant consent forms, including emergency contact details
 - Procedures applying to visitors
 - Any risks presented by the physical environment
 - Accommodation and supervision requirements.

The Principal may utilise BCE's International Travel Procedures to assist in planning for the safety of students participating in international travel.

Students undertaking IDT and hospitality undertake online safety training to assist teachers to ensure that students receive consistent safety training for the use of high-risk equipment in these curriculum areas.

The Principal completes the BCE Fete Safety Planning Checklist prior to a fete taking place. This Fete Safety Planning Checklist assists the Principal in managing the health and safety risks of conducting a fete. The Principal accesses links to relevant information provided on BCE's Health and Safety Portal, to assist in the risk assessment and management process, including the Fireworks Checklist, Amusement Devices Checklist, Contractors Workplace Health and Safety Agreement and information on the hygienic handling of food. A Contractor Agreement – School Fete has been implemented which among other things warrants that all the contractors personnel and approved subcontractors who interact with children and young people at the Fete hold a current Blue Card and it has no knowledge or reason to believe that any of its personnel or approved subcontractors may have acted inappropriately towards children or young people.

Other Strategies to Minimize Risks of Harm

St. Mary's Catholic Primary School takes seriously its commitment in relation to the safety and protection of students. BCE has developed policies and procedures to manage risks of harm to students, which our school complies with, for example:

Supervision – St. Mary's Catholic Primary School manages the supervision of students appropriately to ensure that there is adequate supervision of students. St. Mary's Catholic Primary School has appropriate supervision ratios to ensure the safety of students and prevent unsupervised access to children. When students leave the school grounds, the ratio of one staff member to ten students is strictly adhered to.

Playground Supervision

Teachers are rostered onto playground duty and are responsible for supervising students during both eating and play times. This roster is communicated widely by:

- emailing to all staff
- displaying copies around the school and inside classrooms/teaching & learning spaces
- copies are also placed into the relief teacher folders
- paper copies are printed for teachers

At all play times, there are six teachers on duty in specified areas and two teachers supervise during eating.

Drop Off of Children: St Mary's Catholic Primary School staff ensure the following procedures are followed for the morning drop off.

Guidelines for Parents at St Mary's Catholic Primary School:

1. Students are dropped off to the Jack Mackay Hall where they are supervised until school commences.
2. Parents are reminded regularly that no student should be dropped to school before 8.15am in the morning. From this time, there are two staff members on supervision duty until school commences.
3. Students remain seated during this time and there is no play allowed in the hall.
4. At times, staff organise a supervised game or physical on the oval outside the hall area.
5. Parents needing to drop their children at school earlier than this can access the Outside School Hours Care program run by Centacare.

Collection of Children: St Mary's Catholic Primary School staff ensure the following procedures are followed for the morning drop off.

Guidelines for Parents at St Mary's Catholic Primary School:

1. After school, parents either pick up their child/children from their classroom or students are asked to exit the school from one of two pick-up points. Both exits are supervised by staff members.
2. Children are not to wait at the Administration area. Any students who come to this area are redirected to the Lennox St pick up area.
3. There is a designated crossing supervisor to assist students crossing over John Street both before and after school.
4. The exit on John Street is supervised each afternoon from 2.45pm as several students catch early buses. Students remain seated in the covered shelter area behind the gate until the buses arrive. No student leaves the gate area until the wheels of the bus stops and the teacher on duty gives them permission to proceed to bus.
5. Students catching buses on the opposite side of John Street exit through the same gate as the other students. They ask for permission to the teacher on duty to walk to the crossing. The teacher on duty has line of sight for students in both bus pick-up

areas. Remaining students after the last bus at 3.25pm are brought to the Administration area and parents contacted.

6. The exit on Lennox Street is supervised from 3.00pm. Students are supervised and remain behind the barricaded area in the covered shelter after leaving the school grounds. They are be directed, only by the teacher on duty, to enter their car when it has closed the gap between the car in front and is stationary. If there are no spaces in the pickup area, parents are asked to drive around the block and pull up at the rear of the queue and move forward as cars pull out.

For the safety of our students departing the school at the Lennox Street pick -up area, it is imperative that:

1. Drivers stay in their vehicle always.
2. Students enter the vehicle from the kerbside doors only.
3. 4WD/SUV cars with tail gate access are not to be opened in this zone (including the boot).
4. Parents with young children who need assistance to be locked in their car seat are encouraged to use one of the other pick up areas in Walker Street or John Street. (Parents must collect children from classrooms in these circumstances.)
5. If a driver gets out of the car to help their child, this potentially places the driver, passengers and passing motorists in danger.
6. Remaining students after 3.20pm will be brought to the Administration area and parents contacted.

Procedure Followed in the Event a Child is Not Collected - St. Mary's Catholic Primary School ensures that all students who are not collected are brought to the office from the Pick-up/ Bus areas for parents to be contacted.

Procedure to be Followed in the Event a Person Responsible for the Collection of a Child is Deemed Unable (for example, intoxication) - St. Mary's Catholic Primary School ensures that students are not released into the care of intoxicated adults at any time. If necessary and alternative arrangements cannot be negotiated parents will be contacted.

Emergency – St. Mary's Catholic Primary School ensures that all employees are briefed to appropriately handle emergency situations and critical incidents in accordance with BCE's Procedures for Responding to Critical Incidents.

Fire/Lockdown – St. Mary's Catholic Primary School ensures that all employees and volunteers are made aware of fire evacuation and lockdown procedures at the school.

Visitors/Outsiders – St. Mary's Catholic Primary School has procedures in place for the management of visitors and other outsiders, including relevant signage and directions, together with a visitor sign in register and procedures for signing in and out of the school.

Media/Communications strategies – St. Mary's Catholic Primary School obtains the permission of parents (using the Consent Form, All Forms of Media and Communications) for the use of student photographs and names in any materials issued to the public in printed or electronic form. Identifying information of students is not used in promotional material without the specific permission of the parents and the students concerned. St. Mary's Catholic Primary School obtains the specific informed consent of parents for any publication of names and photos of students in the media outside the local school.

Computer/Internet - All employees and students at St. Mary's Catholic Primary School are required to observe the Brisbane Catholic Education Email, Internet and Intranet Acceptable Use Statement. St. Mary's Catholic Primary School implements the BCE Acceptable Use of Computer and Internet Resource Consent Form in the school. The school staff adhere to BCE's Social Media Policy.

Guidance Counselling Service – The Guidance Counsellor at our school must obtain Informed Consent from a parent and/or student for participation in any guidance counselling services offered.

Transport of students by staff - Transport by staff will require the prior approval of the principal and the written permission of the parents. Principal approval will necessitate risk management involving, for example, an assessment of driver capability, confirmation of current driver's licence, insurance, road worthiness of vehicle, distance involved, any conflict with formal supervisory role for the teacher, gender mix and number of people travelling etc. This list is not exhaustive just indicative. Depending upon the proposed journey there may be other contextual factors to consider. Transport in emergency circumstances may be acceptable, however, an attempt should be made to obtain the verbal consent of the principal and/or parent.

This guideline is not applicable to St. Mary's Catholic Primary School

Transport of Students by Students - BCE requires BCE schools with secondary students to develop a policy regarding student motor vehicle drivers and passengers.

Regulations

1. *Legally a school is not responsible for students whose parents allow them to drive to school or to be passengers in cars driven by other students.*
2. *If the students are of an age which allows them to travel unsupervised, by public transport, to sport, it is permissible with parent permission and subject to school policy for them to drive their own cars to sporting venues during school hours.*
3. *Each school determines whether students may transport other students to school activities. Any such policy should be implemented only with parental consent and with the clear understanding that no liability attaches to the school. Such arrangements should not be implemented as an alternative to public or school organized transport. Further, guidelines should be strictly supervised.*
4. *Public transport or hire bus must always be available to all students for school activities.*
5. *Claims arising out of accident or injury in a private vehicle would be dependent upon the owner's insurance and on the application of common law principles.*

Guidelines

1. *Principals should advise parents and students that schools accept no liability for damage to vehicles on school property; that drivers park on school property at their own risk.*
2. *Schools should require all drivers and passengers to register on an information sheet, devised by the school, which is not a legal document but which enables accurate identification of owners/drivers/passengers should this be necessary during the school day and which establishes parental permission to be a driver/passenger.*
3. *Schools decide whether a particular parking area is established for students.*
4. *Schools decide when and if students are permitted to go to their cars during the school day, taking into account the adequacy of supervision.*
5. *Drivers should be warned that failure to observe all aspects of school and road safety rules could result in their not being permitted to bring their vehicles onto school property.*
6. *All students holding a driver's licence should be encouraged to complete a defensive driving course.*

Bathrooms and Toilets – St. Mary’s Catholic Primary School has a range of protocols in place. Privacy of students is paramount. Under no circumstances should a staff member enter a toilet block without another staff member present. If maintenance/cleaning is required, two staff members must first ensure the amenities are clear and it is then closed/locked from use until works completed. Appropriate signage is also placed outside of the amenities area. Students are to be directed to an alternative amenity block. A buddy system is in place if a student requires to use the toilets during class time.

Managing Injuries, Allergies or Illnesses - St. Mary’s Catholic Primary School accesses and implements a range of procedures, guidelines, forms and resources to assist schools to effectively manage injuries, allergies and illness. All documents are available on the BCE Intranet. Examples include:

PART 4: CONSISTENCY

Policies and procedures for compliance with Chapter 8 of the *Working with Children (Risk Management and Screening) Act 2000* (which regulates the Blue Card system) (mandatory requirement 6)

Blue Card Requirements and Employee Register

St. Mary's Catholic Primary School complies with [BCE's Blue Card Screening Procedure](#) which details BCE's requirements in accordance with the *Working with Children (Risk Management and Screening) Act 2000* to ensure that the required personnel hold a Blue Card.

All employees, volunteers and trainee students who work at St. Mary's Catholic Primary School with children under 18 years of age are required by our school to obtain and hold a Blue Card (unless exempt), including:

- all school-based BCE employees who are not registered with either the QCT or the Australian Health Practitioner Regulation Agency;
- volunteers (who are not parents of enrolled children);
- preservice teachers undertaking practical teaching sessions as part of compulsory academic course requirements;
- self-employed people, paid employees and volunteers whose usual duties include, or are likely to include, the teaching, coaching or tutoring of a child, individually on a commercial basis;
- students who undertake formal traineeships as part of their studies which involve work in child related employment, including conducting sport and recreation activities directed at children; and
- school board members (excluding current parents on a board at their own child's school).

A centralised register of Blue Card information for all paid employees, unless exempt, is maintained by BCE. St. Mary's Catholic Primary School provides Blue Card information to the BCE office when an employee, unless exempt, is engaged. St. Mary's Catholic Primary School ensures that details of any Blue Card renewals, applications and changes in status are also forwarded to the BCE office.

All teachers employed by BCE must be registered with the QCT. The Principal of St. Mary's Catholic Primary School sights the original certificates of registration and qualifications before employment commences at the school. The Principal ensures that new non-teaching employees must have applied for a Blue Card prior to commencing work at the school.

St. Mary's Catholic Primary School maintains a register of Blue Card information for all volunteers, unless exempt. Volunteers who require a Blue Card under the *Working with*

Children (Risk Management and Screening) Act 2000 must obtain the Blue Card before commencing work.
